

POLÍGONOS DEL VALLE DE UCO  
TUPUNGATO SAUVIGNON BLANC 2019

*La Carrera, Tupungato, Valle de Uco. Altitude, 1500 mals*

POLIGONOS  
*del Valle de Uco*

We make mountain wines. The Andes Range determines the identity of our wines, since it is decisive in the climate, water and soils.

We believe that the Uco Valley is, due to its proximity, the area that best expresses the mountain identity in Mendoza. Since we began to explore its diversity, I was captivated by the austere richness and uniqueness of each of its towns.

Polígonos is the expression of those towns of the Valley. These are wines that make us travel through

those places, through their landscapes, climates and soils. Its grapes come from different places that can be imagined on a map with diverse shapes and edges. A weird geometry as diverse as the sides of a Polygon. As diverse as the wines of each town.

**POLÍGONOS DEL VALLE DE UCO  
TUPUNGATO SAUVIGNON BLANC 2019**

**ORIGIN**

La Carrera, Tupungato, Valle de Uco.  
Altitude: 1500 mals

**SOIL PROFILE**

Very complex alluvial soils, with deposits of small fans born between the Cordillera Frontal and the Sierra del Totoral. Heterogeneous, with a generally frank texture, and occasionally with a higher content of organic matter. Small gravel layers are found at variable depths.

**HARVEST**

Exceptional harvest, fresh and dry. With temperatures that were below average and a great thermal amplitude. The climatic conditions gave us very good natural acidity, very good structure, excellent fruit and nothing over-ripe.

**VINIFICATION**

Maceration of 10 days on the skins.  
Fermentation and aging in concrete vessels.

**GRAPE**

100% Sauvignon Blanc

**ALCOHOL**

13,3 % vol.

**TOTAL ACIDITY**

7,5 %

**RESIDUAL SUGAR**

1,8 g/l
