

ZUCCARDI SERIE A BONARDA 2023

Santa Rosa, Mendoza, Argentina. 620 m | 2034 ft.

REGIONAL WINES

The Zuccardi Serie A line highlights the richness and diversity of Argentina.

Serie A comes from "Argentina Series" and expresses the most representative varieties from the best regions for each and from selected vineyards along the Andes Mountains.

Sebastián Zuccardi

ZUCCARDI SERIE A BONARDA 2023

ORIGIN

Santa Rosa, Mendoza, Argentina. 620 m | 2034 ft.

THE PLACE

Santa Rosa, in the northeast of the province of Mendoza, represents the conquest of the Mendoza desert. Deep, sandy soils and extreme temperatures during the growing season, especially during the ripening months.

These characteristics allow Bonarda to express its full potential in concentrated, spiced, and intense wines.

VINIFICATION

The grapes were destemmed and crushed. Cold maceration for 5-7 days before classic vinification with native yeasts. Periodic pump-overs and délestage were carried out, followed by a post-fermentation maceration of 15 to 20 days. Part of the wine was aged in French oak barrels.

COMPOSITION

VARIETAL: 100% Bonarda

ALCOHOL: 13,5% vol.

TOTAL ACIDITY: 5,7 g/l

PH: 3,56
